2. Employment and Corporate Affiliations

Active

Homemaker (Healthcare License) — Role: Licensed Homemaker | License Status: Active | Address on Record: 4321 Columbia Ave, St Paul, MN 55104 | Source: Professional Licenses

⚠ The subject holds an active Homemaker license under the Healthcare category, with a license address of 4321 Columbia Ave, St Paul, MN 55104 — a location not reflected in current address records. Employment data coverage is limited and absence of records does not indicate the subject has never been employed. No fixed employer or workplace service location is identifiable from available data; the license address may warrant a field check as a secondary service point.

3. Property & Real Estate Holdings

No current property ownership records found in available data.

⚠ The subject does not appear as a current owner in any reviewed property records. Service must rely on the current residential

address and relative/associate locations. The professional license address (4321 Columbia Ave, St Paul) and the mother's address (9876 Hudson St NE) may serve as supplemental service points.

4. Agent Aware Threat Level

Risk Factor	Detail	Level
Address Verification	Current address (4321 Columbia Ave, Saint Paul) reported Aug 2022–Apr 2026; deliverable, non-public	✓
Evasion Behavior	Felony conviction for fleeing a peace officer in a motor vehicle (2023); multiple address changes over history	⊖
Hostility Indicators	Felony conviction for possession of a dangerous weapon in a courthouse (2024); active probation likely	⊖
Weapon Access	Convicted of possessing a dangerous weapon in a courthouse (2024); weapon access is a documented concern	⊖
Geographic Stability	Current address held since Aug 2022 (~3.5 years); prior history shows frequent moves	⚠
Service Window Predictability	No fixed employer identified; Homemaker license suggests variable schedule	⚠
Support Network	Mother (Patricia Holloway) at nearby Minneapolis address; associate (Marcus Briggs) also in Minneapolis area	⚠

⊖ The subject presents a high threat profile for process servers. A 2024 felony conviction for possessing a dangerous weapon in a courthouse, combined with a 2023 felony conviction for fleeing law enforcement in a motor vehicle, indicates both weapon access and active evasion behavior. A third-degree murder conviction (2019) and multiple felony drug and theft convictions further elevate concern. A minimum of two process servers is strongly recommended. Do not attempt service alone. Approach should be made in a public or semi-public setting if possible. The subject is likely under active probation supervision (Hennepin County Community Corrections), which may provide a leverage avenue.

5. Investigative Leads

📍 Surveillance Points

Primary Service Address: 4321 Columbia Ave, Saint Paul, MN 55104 — deliverable, non-public, reported current through Apr 2026. Best attempted early morning (7–9 AM) when subject is most likely to be home given no fixed workplace.

Secondary Service Address: 9876 Hudson St NE, Minneapolis, MN 55418 — mother Patricia Holloway's address; subject's own address history includes this location. Viable for substitute service if mother is present and of suitable age.

Tertiary Check: 345 24th Ave NE, Unit 20, Minneapolis, MN 55411 — address on active professional license; may represent a workplace or care client location worth a field check.

High-Frequency Contacts

Patricia Anne Holloway (Mother): Age 66 — 9876 Hudson St NE, Minneapolis, MN 55418. Suitable age for substitute service per local rules if subject cannot be personally served at that address.

Marcus DeShawn Briggs (Associate): Age 37 — 345 24th Ave NE, Unit 20, Minneapolis, MN 55418. Subject previously used this address; may have ongoing contact.

Mobility Patterns

Likely home-based: Active Homemaker license with no fixed employer suggests the subject is primarily residence-based or travels to client locations on a variable schedule. Early morning and evening attempts at the Saint Paul address are most likely to succeed.

Legal Leverage

Active Probation: The subject is likely under active probation supervision through Hennepin County Community Corrections — Adult Field Services (multiple felony sentences with 3–5 year probation terms, most recent conviction June 2024). Coordinating with the probation officer may compel a response or provide a confirmed reporting address.

Active Professional License: An active Homemaker license (Healthcare category) is on file. The licensing authority may have a current contact address or employer of record.

Civil Judgment: A 2022 judgment by Credit Acceptance Corporation (Case 27CV654321) is on record; the subject is under court jurisdiction in Hennepin County.

6. Final Thoughts

➔ The primary service address of 4321 Columbia Ave, Saint Paul, MN 55104 is the strongest option — deliverable, held for approximately 3.5 years, and reported current through April 2026. Attempt early morning with at least two servers present given documented weapon access and evasion history. If primary attempts fail, 9876 Hudson St NE (mother's address) is the best secondary location, with substitute service on Patricia Holloway (age 66) as a fallback. The subject's active probation supervision through Hennepin County Community Corrections is the most significant legal leverage point and should be pursued before repeated field attempts. Key data gaps include the absence of a current registered vehicle and no confirmed workplace — obtaining current probation reporting records or contacting the licensing authority for the active Homemaker license could resolve both gaps.
